### Membership Building

Ever wondered why few guests visit your club? Or why those guests don't join your club? **Here's what you should consider:**

- \* People can't join your club if they don't know it exists.
- \* People *won't* join if they don't get a good first impression.
- \* Members won't stay if their needs *aren't* being met.

Share the work and the learning. If your time is limited, consider forming a membership committee to help your club reach its goals. The opportunities for learning are plentiful. You can have fun, learn valuable skills and promote your Toastmasters club!

### New Club Banner

If your club has not purchased a new club banner with the new logo yet, please use promotional code REFRESH20 now until December 31, 2012 and receive a **20 % discount** on your banner! Official price is **\$100 about ¥8,000**

**Do you remember,** why you joined your Toastmasters club? It seems that many of you joined the club to improve your public speaking skills. Speaking skills are similar to those of sports. Therefore, practice is the key to success! Then, why don't keep it to improve your speaking skills? How many speeches do you plan to make this term? When is your next speech assigned? If you are not sure of it, please ask your VPE to know when you can get a chance to make a speech. All VPEs are recommended to organize **Speech Marathon** meetings, or similar special meetings, to provide club members with more opportunities to make speeches. Those opportunities will make your members achieve their goals this term.
