District 76 Spring Conference in Nagoya

2013 District 76 Spring Conference has completed successfully. I express my gratitude to three hundred more participants who filled the conference room to near the capacity. And the contestants must have been able to perform to their heart's content in this conference room where great numbers of international conventions were held. This Spring conference gave us power to get together to Toastmasters Clubs in Nagoya area, and promised possibilities for development by showing our presence in Nagoya area. Again I deeply appreciate your cooperation which led the conference to this success.
