

### Bashamichi Toastmasters Club

"Bashamichi Toastmasters Club" is an advanced English club which was established in the exotic town of Yokohama in March 2013. The Club aims for high quality in a friendly atmosphere. We always give our guests a welcoming smile.

One of our club's visions is to build friendships with other Toastmasters in Asia.

In June 2013, a joint meeting was held with "Leadership Village Toastmasters Club" in Taiwan. It was a rewarding experience. The keynote speech titled "A Moment In Time" by George Yen was especially impressive. Through this joint meeting, members were able to learn a lot and deepen their friendships. The joint dinner party was also fun.

This August, a joint meeting with a club in Kuala Lumpur will be held during the 2014 International Convention.

Holding joint meetings with overseas clubs is a good opportunity for us to globally connect with fellow Toastmasters. (Written by Toshio Yada, DTM)

### Two Clubs in Okinawa, southernmost part in Japan

**Shuri Trilingual Toastmasters Club:** Since our charter in 2013, as world's only Tri-lingual Toastmasters Club, we have been offering leadership and communication skills opportunity in three languages: Okinawan dialect, Japanese and English. Welcoming U.S. Consul General in Naha as the honorable guest, the club celebrated its charter in June 2013 at the venue where G8 Summit 2000 was held.

**Oki Orators Toastmasters Club:** Our club is now in its 4th year of service. Our club consists of mostly U.S. service members and DOD (Department of Defense) civilians with some local Japanese members. We encourage you to visit our club in Okinawa, Japan. (Written by TM Sandra Bostic.)

# Appendix

## Summary of Appendices

In the following appendices, "Chronological Chart of District 76 Development" and "Chronological List of District 76 Clubs" are attached. This "Summary of Appendices" is intended to present some explanation of these appendices as well as a summary of the development of Toastmasters in Japan, mainly in the District 76 period partly including its forerunning days.

Firstly, as for the number of clubs and members, the four years of the Provisional District 76 (D76P) from July 1, 2000 to June 30, 2004 started with 43 clubs and 1,170 members. The Full-fledged District 76 (D76) was established on July 1, 2004 with 61 clubs and 1,572 members. At present, 10 years later, the number of clubs is 155, or 2.5 times, and the number of members is 4,055, or 2.6 times. At present, a little less than two thirds of the clubs is English-speaking, and a little more than one third is bilingual, trilingual or Japanese-speaking.

Secondly, the All-Japan International Speech Contest has been conducted every spring under Japan Toastmasters Council (JTC), but other All-Japan Contests were conducted haphazardly in the fall under JTC and in the beginning of D76P period. However, Humorous Speech Contests, Evaluation Contests, Table Topics Contests, and Tall Tales Contests have been conducted in turn every fall since the later days of D76P as well as D76. The Japanese Contest was conducted a little irregularly under JTC, but it was conducted regularly under D76P and D76.

Hosting was assigned to each division in turn starting from Division A at the Spring Conference in 2011. (For the Tohoku Earthquake, the conference was in actuality hosted by Division E in Kyoto.) Princess Takamado-no-miya Hisako-sama was invited twice as a Keynote Speaker in Spring 1996, and Spring 2003. As a guest, the president, past president, or international director has been invited from TMI, and especially in the Spring Conference in 2014 Daniel Rex, Chief Executive Officer of TMI was invited for the first time.

Starting from the Fall Conference in 2012, Communication & Leadership Award was conferred to an excellent communicator and leader, or Dr. Donald L. Keene of Columbia University in 2012, and Dr. Shigeaki Hinohara, the M.D. Chairman of the Board of Trustees of St. Luke's International Hospital in 2013.

Thirdly, in the 2011-2012 and 2012-2013 terms, D76 attained for the first time the status of President's Distinguished District in a row. As for the Distinguished Toastmaster (DTM), the first award was attained in 1984, the second one in 2001, and additional five members attained it in the four D76P terms, and further 59 members attained it in the ten D76 terms, with a total number of 66 at present.

Fourthly, D76 started with four divisions and 13 areas in 2004-2005 term, 14 areas in 2005-2006, and five divisions and 15 areas in 2006-2008, 14 areas in 2008-2009, 18 areas in 2009-2010, and six divisions and 22 areas in 2010-2012, 32 areas in 2012-2013, and 33 areas in 2013-2014. In 2014-2015, we will have 6 divisions and 37 areas.

Fifthly, a Presidential Citation of TMI was received by DTM Toru Mori in August, 1988, by DTM Peter T. Fujiyama in August, 2000, and by DTM Keiko Omachi in August, 2007. Moreover, DTM Kazuko Kawauchi was appointed as Region 13 Advisor on March 1, 2014, effective until June 30, 2015.

Finally, just for reference, some comments on Toastmasters International (TMI) follow: 1. TMI's Headquarters was relocated from Santa Ana to Rancho Santa Margarita, around 80km south of downtown Los Angeles, in June, 1990. 2. TMI's Executive Director was changed from Mr. Terrence J. McCann to Mrs. Donna H. Groh in June 2001, and from her to Mr. Daniel Rex in August 2008. 3. TMI's dues were raised from \$3.00 to \$4.50/month in October 1, 2005, and to \$6.00/month in October 1, 2011. 4. TMI's logo was revised to the present one on August 17, 2011. 5. Competent leadership manual was made effective on July 1, 2006. (The current leadership program, and thus the current education program, were established.)
